DINNER MENU SERVED FRIDAY & SATURDAY EVENING

WELCOME to The Clarence's stripped-back summer menu. We'd like to say a massive congratulations to our Head Chef Liam Rutherford and his partner on the arrival of their beautiful twin daughters this July. Liam's been a big part of The Clarence's success since we opened in 2014 and we'd like to say thank you for 4 brilliant years working together. We wish him luck with the next stage of his career and family life as he leaves us this month. There are exciting times ahead with our new Head Chef and menu coming in September. For now our menu is a 'greatest hits' of The Clarence so far...enjoy.
